12. Topics from the Technical Council Meeting

- Information on the website on how to chair an ASA meeting
- Fall 2013 ASA meeting thinking of San Francisco, need technical chair
- ASA student authors registration for Hong Kong is free, \$700 early for members, \$800 for late registration
- Would you be more or less likely to publish in Proceedings of Meetings in Acoustics (POMA) if it had some form of peer review?
- Use TC to indentify topics for review papers or small sub-committee from TC, good for JASA impact factor to have review papers. Review papers are invited, so increases the chances of acceptance for publication.
- Education in Acoustics—looking for volunteers for career profiles, contact Wendy Adams
